Prayer Requests:

1. Pray for the youth-aged girl mentioned in this letter.
2. Pray for travelling safety and grace for Robert while travelling all over the United States.
3. Pray for a good response to future advertisements for the new church plant in Nambour, Queensland.

Robert has returned to the United States in order to take a six-month furlough in which he will report on the ministry. Jennifer and Bethany will join Robert in September since Bethany is still in school and won't have another break until September.

Robert had one last opportunity to speak with one of the youth-aged kids about salvation. This occurred the Friday before he left for the U.S. This young lady was of aboriginal descent and was very confused about religious matters. In her confusion, she questioned why homosexuality was wrong and indicated that she disagreed with the Bible on the subject. However, after an extended conversation she began to soften a bit. Please pray that Pastor Bramblet, who was our hosting missionary/pastor will be able to pick up where Robert left off with this young lady.

We are convinced that one of our greatest obstacles in ministry is the homosexual agenda. On second thought, it is not an obstacle to us, but rather it is an obstacle to those who are blinded in darkness. Australia has a very open policy regarding homosexuals and those who stand for traditional family values are becoming increasingly isolated each day. There has even been talk of considering "anti-homosexual"

speech as a hate crime. The number one issue we deal with the youth on is the biblical position regarding homosexuality. Acceptance of homosexuality has now become the norm in Australia and all other positions have now become errant.

We made yet another trip to Nambour and have now selected the location where we will begin church services next year. It will be at the Nambour Community Centre. We will be able to advertise and draw from people all over the Sunshine Coast Region, which currently encompasses about thirty to forty-thousand people. However, we will have to begin advertising first. Once we have one or two families, we can begin meeting as a new church. Please also pray that, once we begin advertising later this year or in January, there will be a good response.

Nambour is an absolutely beautiful paradise just inland from the tropical waters of the east coast. We believe, though there are so many people living in darkness in an area known for abundant sunshine, God has already begun breaking up hardened ground in preparation for the sowing of the seed of the gospel. Ask God for an abundant harvest!

Joh 14:13 And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son.
