The Dawson Family  
Missionaries to Brisbane, Australia

Robert, Jennifer, Krista, Timothy, and Bethany

---

Hello friends.

We were approved as World Baptist Fellowship missionaries in August of this year. At that point, we entered part-time deputation. Since August, I have been busy making phone calls and getting to know pastors and missionaries all over the country. We are so blessed to be a part of the WBF family and have discovered that the fellowship's pastors and missionaries truly care for one another.

I am currently finishing up my last year at Arlington Baptist College. Jennifer is also involved in school there. With a school schedule consisting of 19 hours of classes along with a regular daytime job, it has been frantic around the Dawson household. However, God has continued to give us grace as we juggle our schedules and prepare to transition to full-time deputation in May.

Our most pressing need at this time is preparing to take a survey trip in late December to early January. Although we are still raising support for that trip, we are confident that God will supply our need. Please pray that God will not only deepen our burden for Aussies in "Brissie", but that He will also work in the hearts of our children to prepare them for a lifetime of Christian dedication. Also pray for us as we begin to fill our schedule with appointments over the spring and into next summer and fall.

We hope that the Australians will always be in your prayers. Almost all of Australia is secular. Though many claim to be Anglican or Catholic, most have no idea who Jesus really is. What an irony considering Australia calls itself a Christian nation. Our vision is to build true Bible believing churches where none exist in one of the largest cities in the world. We cannot wait to tell them!

May the Lord bless you as you serve Him.
