Back O' Bourke. That's an Australian phrase which means "the middle of nowhere." We have been able to identify with that phrase over the last two months. Since beginning full-time deputation on June 16th, we have gone through the Back O' Bourke many times on our way to and from appointments.

As of July 22, our oldest daughter, Krista, went back to Texas to stay with her grandparents so that she can finish her last two years of high school in Mansfield. We prayerfully feel this is best for her and this will allow her to be best prepared for college. We are now homeschooling Timothy (8th grade) and Bethany (3rd grade). All of our future appointments will be made only with our two youngest children.

We have been blessed with opportunities to share our burden with churches across Ohio and New York State. We were also privileged to spend time with Todd Vossen and his family, church planters in Port Clinton, Ohio. It was also our joy to be able to work in the VBS program in Vandalia Baptist Temple in Vandalia, Ohio. We were able to lead one boy to Jesus. We were also able to witness to another family whose two daughters are brought to the church.

We will soon be traveling back to Texas after making several stops along the way to present our field in Michigan, Kansas and Missouri. We look with excited anticipation at a busy schedule for the fall and into the winter months.

Please pray with us that we can keep our calendar full and that we can continue to raise the support we need so that we can get to the field of Brisbane as quickly as possible.
