Greetings in the name of the Lord. We pray all is well with you. We thank God continually for your faithful prayer and financial support for us as we travel down the deputation trail.

We have been based in Jacksonville, Florida since the middle of June. While in Jacksonville, we have travelled all over the state of Florida fulfilling scheduled meetings. We have also presented our field in the state of South Carolina. We are thankful for the doors that God has opened for us here. However, we are constantly faced with the dilemma that churches are struggling financially and are limited in what they can do, though we are thankful for the greatest resource they can offer, which is prayer.

A significant event occurred just prior to arriving in Florida in early June. After leaving the hotel where we were staying while at a missions conference in Hempstead, Texas, our laptop computer was lost. We feel it might have been stolen while packing our van, but we cannot say for sure. We were devastated because our entire ministry, including our video presentation was on that computer. Some very dear friends and supporters sacrificed of themselves and replaced the computer and software. We were able to recover all but the pictures and videos that we had taken since beginning deputation. Thank the Lord!

As I write this letter, we are preparing to leave for the annual missions retreat at Minnetonka camp in Oklahoma. We are looking forward to encouragement and a renewed focus. Please pray that this upcoming Fall will prove itself fruitful as we fill our schedule and attend meetings all over the country. Pray in particular that we can be at 50% of our support goal by December 31st. We plan to be fully supported by June 2013 and we need to reach that milestone to stay on track for a three-year deputation. God's blessings.
