Words fail us when we try to express our gratitude for all those who continually lift us up in prayer and for those who sacrifice financially so that we may continue to raise our needed support in order to get to the field of Brisbane. God has continually supplied our wants and needs as we travel all over the United States. We consider deputation to be basic training for the battle for souls that will occur when we transition to Australia.

We have just wrapped up our last conference for the Spring season. While we have one last conference in June, we will be fulfilling single-day appointments until Fall. We are exhausted but encouraged by those conferences. Each church has ministered to us more than we feel we have ministered to them.

We have now been on full-time deputation for 10 months. We have driven around 40,000 miles. We have presented in 63 churches. 18 of those churches support us financially with another 5 committing support. That will put us at about 30 percent of our goal. With the state of the economy and the current trending of our support, we expect to leave for the field in June 2013. However, we believe that God can do anything and may choose to get us there sooner. Until then we will continue to share the Good News with whomever God sends our way.

Please pray that God will hasten our departure to Australia. Pray for His will for our children, one who will be ready for college next year. Pray for those churches who want to share financially in our ministry but are unable to do so. Finally, pray that God will allow us to challenge His people to a greater commitment.
