Did you know?
There are more than 150 million sheep in Australia, and only some 21 million people.
Neither the kangaroo nor the emu, both Australian icons, can move backward.
Each year two people are eaten by crocodiles in Australia.

Praise the Lord we had three new churches pick us up for financial support since the last prayer letter! That edges us closer to having 50 percent of what we need in order to be able to operate on the mission field. Although making appointments is difficult, we have also added some new appointments to our calendar for presenting our mission field to new churches. However, we still have many openings on our calendar that we need to fill.

Since January we have spent six weeks in Tyler, Texas while attending meetings in Louisiana, West Texas and the Dallas/Fort Worth area. After leaving Tyler, we made a track which took us to Eastern Utah to Western Colorado to Nebraska to Ohio and the finally to Jacksonville, Florida. We plan to be back in Texas for the May fellowship meeting at Arlington Baptist College.

Our oldest daughter Krista has raised all the finances she needs to take a mission trip to Darwin, Australia to work with the Ken Chapman family. She is excited about this trip and what she feels God will accomplish while she is there. Although she communicated independently with the churches that sent her money, we want to thank each church that has allowed her to take this life-changing endeavor. She will depart in late May and arrive back in Texas about three weeks later in June.

We remain committed to a departure date of November 2013. We are trusting God to provide the necessary finances to do so. Please continue to pray with us and for us that God will do several things. First, we need more appointments for presenting our mission field. Second, we need God to challenge those churches to not only pray for us, but also to pick us up for support. Thirdly, we need the roughly 130 churches in which we have already been to be able to pick us up for support. In the meantime we will praise God for His faithfulness in our lives.

February - March 2012
