Greetings!

We have been so blessed to have gotten to know many of the fellowship's pastors and missionaries since being approved as missionaries earlier this year. We officially kicked off our deputation with our first presentation at Martin Springs Baptist Church in Martin Springs, Texas. What a great church and people who love the Lord! We are looking forward to many more such meetings. Our calendar is beginning to fill up with appointments, though we still have many more appointments to make.

We will be taking a survey trip to Brisbane, Australia from December 30th through January 13th. This may be our only opportunity to expose our two oldest children to the mission field before they enter college. We are placing primary importance on this trip and are confident that God will supply our finances to take it. We are praying that anyone who can help us will do so. We have a further need for start up equipment such as a projector and are trusting that God will also supply that need through His people.

Please pray for us as we travel across this great country presenting our field to various churches. We need God's protection as well as His miraculous provisions.

We are encouraged by the Psalmist who writes, "I have been young, and now I am old; yet have I not seen the righteous forsaken, nor His seed begging for bread. He is ever merciful, and lendeth; and his seed is blessed" (Ps 37:25-26). We pray that even in a difficult economy, you will also be encouraged with this scripture as God supplies your needs as well as increasing your burden and capacity for missions.
