Current statistics indicate that less than one percent of Australians attend church on a regular basis. Of those who do attend, just a fraction attends a Bible believing and preaching church. This is indicative of a secular society that is lost as a whole. Furthermore, Australians who are looking for answers are turning to a growing charismatic movement within the country. Many Australians are aware of a spiritual need but they are misguided regarding the source of their hope.

Australia is fertile ground for the Gospel. Through relationship-building, we will introduce the true Hope for which they are seeking. We have a huge vision. Our vision is that the entire area of Brisbane will have at least heard the Gospel. Whether the response will be as huge as our vision, only God knows. However, we claim God's promise to Isaiah: "So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper *in the thing* whereto I sent it." 55:11. We further envision Aussies reaching Aussies as we disciple and train them to become fishermen and church-builders themselves.

We are continuing to raise financial support through deputation in order to get to our field of Brisbane as quickly as possible. We have just finished three months of full-time deputation. We have been in seven states presenting our field and preaching. We are currently at ten percent of our needed support. We are praying that God will move in churches where we have presented, and churches where we will present, to take us on for support. We are also praying that God will open new doors for us.

Please pray with us that churches will share our vision for Aussies and that they will become excited about taking part in what we are confident God will do in bringing about a great revival in the land down under.
